## MARCH 2012 LUNCHEON NEWS

Pat Wiese

Fifty-two members attended the first NGAA West luncheon on March 28, 2012 which was held at the Holliday Inn (Viking). Bob Edwards led us in the Pledge of Allegiance and Bob Eddy said the invocation before the meal. Gary Bennett gave us a musical “stroll down memory lane”. His back-up singer was none other than our own Bob Eddy – great job Bob. We had two first time attendees – Bill Harris and Ray Fordhaus.

Larry Knopfel’s golf report – There are 174 golfers this year. The first outing was Apr 12<sup>th</sup> at Missouri Bluffs Golf Course and 136 members were expected to play.

The five dollar 50/50 drawing winners were – Mary Decker (2), Pat Keller, Jerry Lenczowski, Bobbi Lenczowski, Carol Stecher, Gene Sylvester, Joel Frazer, John Flaherty, and Lou Decker.

## BOARD OF DIRECTORS’ NEWS

### INTRODUCING THE NGAA ORGANIZATION

BY ANGE MEOLI

At the suggestion of NGA Director Letitia Long, two of its alumni associations have combined as the National Geospatial Intelligence Alumni Association (NGAA). The association officially began functioning in January 2012. NGIAA, based in the Washington area, and the Association of Charting Seniors, based in St. Louis, are the initial Chapters and are now designated NGAA-East and NGAA-West. The other alumni group, the Association of Mapping Seniors, has opted not to join at this time.

NGAA is governed by a board of directors with two members from each Chapter. The initial members are: Al Anderson (Chair), Jim Boyd, Bob Edwards, and John Mendez. Under the NGAA Constitution, the Chapters continue to operate much as they have, with the board providing a focal point for communications with and support of NGA and other organizations as appropriate.

The Chapters have existed since the 1970s and serve to bring together former and current members and associates of NGA and its predecessor organizations. Besides their social function, the Chapters have served in various roles in support of NGA. When the NGA Oral History Program began, our members conducted a number of interviews which are now archived by the NGA Historian. They also support the Hall of Fame program with nominations, and NGAA-East each year honors a current member of NGA selected by the Agency for significant contributions to its mission and to the honoree’s

community. From the inception of NGA’s Family Support Group, an NGAA-East member served on the group for a number of years. NGAA is ready to continue and expand its support to the NGA mission where appropriate.

NGAA welcomes all current and former members of NGA and its predecessors. More information on the association and its activities, with links to the Chapters, is at [www.ngaalumni.org](http://www.ngaalumni.org).

## NGAA-WEST CHAPTER PRESIDENT’S REPORT

We began the year with a new look and a new name. After more than 30 years as the Association of Charting Seniors (ACS), our organization is now called the National Geospatial Intelligence Alumni Association West (NGAAWest). Several members of the current board of directors, led by Bob Eddy, spent many hours developing NGAAW By-Laws to align with the overarching Alumni Association. The new By-Laws are enclosed at pages 13-19 of this newsletter with a blank ballot at page 20. You have the options to vote to accept, accept with comment, reject, or reject with comment. Voting instructions are on the ballot.

The By-Laws allow the membership to include all current employees of NGA regardless of age. The board is extremely excited about this change which we hope will help to broaden our membership and allow our organization to grow and prosper. Therefore, I encourage all of you to help make this happen by talking with your former colleagues and NGA friends urging them to join. Let’s make this inaugural year a year of growth in membership for NGAA (West)!!

Our remaining meetings are scheduled for September 26 and December 12.

I HOPE TO SEE YOU THERE!

Bob Meinhardt

## NGA PATHFINDER PUBLICATION

NGAA-West members will have the opportunity to submit articles for future publication in the NGA Pathfinder magazine. Members will receive an email notification from NGAA-W identifying a subject theme for the submitted article. A date will be stated when the article needs to be received by NGAA-W. The following guidelines apply for all submissions:

**NGA PATHFINDER PUBLICATION** CONTINUED

"The desired article length is 150 words; a general article can be longer but should not exceed one Pathfinder page (approx. 600 words). If at all possible, all submissions should be accompanied by a photo or artwork and should include quotes -- either from persons or documents. The article should be in Word format, text only. Photographs need captions and credits. Also, each image submitted must be a separate .jpg file with a minimum 300 dpi for a 4x6 inch image."

**Refund of Reservation Payment**

The NGAA-West continues the former ACS policy:

“All luncheon reservation requests are recorded as they are received. On the Thursday prior to a luncheon the number of meals by type is provided to the Holiday Inn. On the Monday prior to the luncheon the Holiday Inn is again called with the final number of each selection and with the total number of attendees. NGAA-West is then committed to these numbers and must pay for the number of meals reserved. Refunds or luncheon vouchers are ONLY issued to those individuals who call in a cancellation at (636) 296-8831 prior to the Monday preceding the luncheon. Therefore, there will be no refund or luncheon voucher issued for an individual who does not attend the luncheon without that prior notification.”

As an example, **for the March 28, 2012, luncheon call (636) 296-8831** before March 26, 2012 if you must cancel.

**REQUEST FOR HEALTH STATUS INFORMATION**

**If you are aware of any former co-worker or his/her family member that is ill, in the hospital, or has passed away, please call or email the ACS Board so that we can inform your fellow members.**

### ARSENAL MIXED LEAGUE (CONTINUED)

This was our first season at Sunset Lanes. Everyone enjoyed our new surroundings and the staff at the bowling alley. The League is returns to bowling on Wednesday's at 4:00 p.m. next season at Sunset Lanes. If you are still working at NGA, or of NGA legacy, and are interested in joining our league or know of someone that would like to bowl at that time, please contact Pat Wiese, 314-385-7845. The league is always looking for individuals/teams to join our league.

### THURSDAY INVITATIONAL LEAGUE

#### SUNSET LANES

By Doug Nolte

The NGAA-West Bowling League finished its season schedule on April 5, 2012 concluding our third season at Sunset Lanes. The season champs turned out to be the same as the first half winners; a team whose name eludes and confuses us all, The Bushcrud Dogs. They are very reminiscent of the famous line from the movie *Butch Cassidy and the Sundance Kid*, specifically "who are those guys"? We all know who they are, but we've also known them to be a group not necessarily endowed with a great amount of bowling prowess. They changed their team name this season and perhaps that's what transformed them. Well, they absolutely sneaked up on the league this year and put us in our places. From now on they are a team to be reckoned with and rest assured the remainder of the league will be looking for them come our first night of bowling in September. The league will most probably resume on the 6<sup>th</sup> of September and if you want to see how we manufacture our revenge on these "Dogs" come watch us bowl at 4:00PM on that Thursday, or any of the ensuing Thursdays until early April 2013.

We hope to see you there. The league President, Harry Lemakis (314- 631-1619), and the Secretary, Wayne Powers encourage anyone still working at NGA, or of NGA legacy to find out more about joining in the fun. You can contact Wayne at [Wayne.D.Powers@nga.mil](mailto:Wayne.D.Powers@nga.mil)

### NGAA-WEST GOLF NEWS 2012

Submitted by Doug Nolte

**Missouri Bluffs 12 April:** The NGAA West Golf League opened its season on the 12<sup>th</sup> of April at the wonderful Missouri Bluffs Golf course. 122 players showed up for the 2012 inaugural event and to everyone's joy and surprise all went very smoothly for the first outing of the year. For many it was their first annual foray into the often strange world of trying to successfully hit a small white sphere in a certain direction and with a certain

distance. Many were ecstatic with their results, some of course were not. A team that included Bob Eddy and Ernie South came out on top with a -7 score. Four teams tied for second at a -5. Among those team's participants were Jack Eckhard, Libby Lanning, Don Schmidt, Dennis Shannon and Pat Reed. John Boyd, Bob Thibodeaux, and Jack Panula were on the two teams that managed skins for the day. Bob Thibodeaux again made the headlines with a closest to the pin effort on the par 3 #8 hole.

**Whitmoor Country Club 19 April:** Just a perfect golf day greeted 105 golfers at this wonderful 36-hole facility in St. Charles county, nestled in the hills just west of the Missouri River. The only issue of the day was the slight breeze during the outdoor registration that kept committee members alert with chasing money across the registration table. Once all that green stuff was corralled we ventured out on the real green stuff for a great day on the links. The course was in immaculate shape, as usual, even though the greens had been recently aerated and sanded which made putting adventuresome. Three teams tied for first at a -8 and those teams included Dan Snowden, Casey Szpak, and Doug Nolte. Tom Murphy, Pat Reed, Don Giarraffa, and Joe Pfeifer were members of the four teams who came in second at a -7. Ron Muse, Dennis Terhaar, Larry Knopfel, Libby Lanning and Joe Mullins were on the three teams that tied for 3<sup>rd</sup> place at a -6. Pat Reed and Paul Pals were among the closest to the pin winners. There were no skins for the day because no team had the lowest score on any of the holes.

**Sunset Hills Golf Course 26 April:** This is a course we've not visited since September of 2003. Looking at our records reveals that 75% of the winning team at that outing has unfortunately gone on to the big golf course in the sky. This course has had some misfortune over the years, in particular it was under the flood ravages of the Meramec River in the not too distant past and a lot of work has gone into recovering things like fairway grass. 117 of us found it to be in fairly good condition and the greens were as we remember, very good. For this event we paired up the three flights of players (A,B,C) on separate teams so "equal" abilities would have the chance to play with themselves. In the A flight two teams tied at a -7. John Boyd, Ed de la Peña, Doug Torrie, Joe Goines, and Bill Heidbreder were participants on these two teams. Don Giarraffa and Livingston Sykes were on a team that came in second at -6, and Ron Muse and Dennis Rumley were players on a team that came in third at a -5. In the B flight Bob Day, Tom Murphy, and Jack Eckhard were on the winning team with a -9. Joe Mullins, Larry Willman and Jack Panula were on teams in second place at a -8. Ward Klocke Dennis Shannon and Joe McDaniels were on teams in third place at a -7. In the C flight Mark Hagler and Bob Touzinsky were on a team that finished in

**NGAA-WEST GOLF NEWS 2012**

second place at a -6. We don't award skins in this format and no former DMA/NIMA/NGA personnel won a closest to the pin contest.

**Far Oaks Golf Course 3 May:** This jewel on the east side was in very good shape, as usual. 113 of us made it to this golfing outpost guarded by a myriad of sand traps and a collection of holes no two of which are alike. Being a course in the middle of an upscale housing development as much time was spent ogling some of the dwellings as concentrating on those tricky putts. The weather was excellent and we started on time, finishing just as expected. Two teams tied for first at a wonderful -12. Mr. Ed de la Peña and Harold Howard were on one of these teams while Dan Snowden was a participant on the other team. Jack Eckhard was on the team that finished second at a smart -11. Larry Willman and Bob Thibodeaux were on a team that tied for third at -9. There were no skins for this round, no team had the lowest score on any hole. Larry Willman and Dennis O'Connor were among the closest to the pin winners for the day.

**Normandie Golf Course 10 May:** This is the oldest municipal golf course west of the Mississippi, at least the literature claims that. Most of the fairways are lined by majestic trees of one variety or another, making for some interesting and creative second shots as a result of errant drives off the tees. The course plays long and with the undulating fairways it is not the easiest course we play during the season. 91 players were fortunate enough to be blessed with a wonderful day to play and they were not disappointed with the results. Three teams tied for first at -7. Among the players were Ron Muse, Ernie South and Joe Goines. Don Giarrappa and Dennis O'Connor were players on two teams who finished second at -6. One of the skins for the day went to the Joe Goines team and Larry Knopfel was among the closest to the pin winners.

NGA retirees who wish to join the golf group should contact any of the following golf committee members.  
 Ed de la Pena (314) 846-6925 Jack Eckhard (636) 394-4315  
 Bob Eddy (636) 296-8831 Larry Knopfel (636) 561-2280

**PHOTO BREAKFAST CLUB**

By Gene Niederschmidt

We had twelve photographer retireess attending our March breakfast. Physically we didn't fill the room but our loud voices carried the day.

Frank Aufmuth says the farm is open for business. As always the 4000 lb Pontoon boat was a hard chore going in the water. It is a good thing Sharon was supervising . Now to get the fishing lines in and catch a few ¾ lb crappie.

Bob Edwards just returned from a traveling vacation in the west. Bob said more trips are planned.

Fred Meister is working on Waterloo Lions Club history. Fred says he has been scanning pictures and documents and arrainging these in several memory books.

At our March breakfast I informed everyone my wife, Viola (Vi) has been diagnosed with cancer. Starting last week and for the next few weeks we will meet with her cancer specialist on Monday mornings to go over what has been accomplished and what is planed for the next week. The length of these meetings will determine if I will be present for our breakfast. Fred Meister said he will attend and pass on any information.

Just want to remind you we will not meet in May, do Memorial Day. I will probably see you June 25thj.

We are now moving into spring, so enjoy and be well. I have reserved Gingham's meeting room for the rest of 2012 on these dates: skip May, June 25, July 23, Aug 27, Sept 24, Oct 22, November 26 and skip December. Mark your calendars.

**CONSTITUTION AND BY-LAWS**

In 1980 retired Defense Mapping Agency Aerospace Center (DMAAC) employees, having found a common interest due to long-shared career purposes, and a desire for continued social contact, formed an organization known as the "Association of Aerospace Charting Seniors (ACS)". Retired employees of DMAAC and its predecessor organizations: the Aeronautical Chart and Information Center (ACIC), the Aeronautical Chart Plant (ACP), and the Aeronautical Chart and Information Service (ACIS) were eligible to join.

Subsequently, DMAAC became a predecessor organization with the establishment of the National Imagery and Mapping Agency (NIMA) in October 1996 and renamed the National Geospatial-Intelligence Agency (NGA) in November, 2003. In 2010 ACS was contacted by the National Geospatial-Intelligence Agency (NGA) with an offer to form an alumni organization. Prior to the 2010 ACS Annual meeting a vote was taken and the Membership chose to become an Alumni Organization of the National Geospatial-Intelligence Agency (NGA).

Upon approval by the ACS and NGIAA (a retirement organization in the Washington DC area) memberships, a committee presented an NGAA Constitution to both organizations for approval. An approval vote was taken and passed by the ACS membership on July 16, 2011 and ACS became the National Geospatial-Intelligence Alumni Association - West (NGAA-West). These NGAA-West By-Laws are in compliance with the agreed upon NGAA Constitution and were effective 1 January 2012.

They also provide the prospective candidates for office with information as to what is expected in fulfilling an elected or appointed office. The descriptions given below are short definitions of policies. The complete text can be obtained by any member by sending a request to the President, NGAA-West.

**Policy #1 Membership and Dues.** This policy clarifies the period covered by payment of dues, as applied to new, renewal, or lapsed membership. It also establishes a policy concerning the handling of Life Membership funds, thereby causing those membership funds to be held in a separate account for financial considerations including budget planning. It also defines the transferring of membership status to surviving spouses for both annual dues paying members and those with Life memberships.

**Policy #2 Life Members Dues.** Accounting: This policy defines specifically the accounting practice for Life membership dues as being applied over a lifetime of ten (10) years for the funds rather being reported entirely in the year received.

**Policy # 3 Expense Vouchers.** This policy establishes a formal requirement to provide a voucher form for expenses, approved by an officer other than the Treasurer, along with the signature of the Treasurer before being paid. The Treasurer will retain the approved vouchers along with other Financial Records for future Audits when conducted.

**Policy # 4 Luncheon Reservations/ Cancellations.** This policy clarifies the conditions and actions needed as related to NGAA-West Luncheon Meeting reservations and cancellations, should it becomes necessary to do so. It also documents the actions taken to establish Luncheon activities including caterer interaction, entertainment acquisition, and reservations.

**Policy # 5 Budget.** This defines the preparation responsibilities and procedures to create an annual budget for the Association.

**Policy # 6 Financial Accountability.** This documents the requirement for the establishment and maintenance of financial accounts and supporting records at and by, a financial institution. It also defines responsibility for the handling of NGAA-West funds, including the reporting of the Associations financial status to the Executive Board and the membership at large.

**Policy # 7 Petty Cash Account.** This policy was adopted to establish a Petty Cash Fund to accommodate reimbursement of small cash expenditures for out of pocket expenses without having to process a check for insignificant amounts.

**Policy # 8 Golf Committee Operations.** This policy further defines the relationship, responsibilities and accountability, as contained in the By-Laws that established the Golf Committee. It extends and adds further detail for operational considerations concerning the funding of the Committee. It also defines golf member/non-member participation.

**Policy # 9 Members Dues and Information Process and Data Base Retention.** This defines the Officers responsible for the data regarding processing of member information, responsibility for dues handling, and or retention of permanent records. It also defines the responsible persons for the currency, preparation, and processing of mailing addresses and labels for Newsletters and other mailings.

**Policy #10 Deaths and Illnesses.** The intent of this policy is to provide for consistency, in the recognition of members/spouses who have suffered a loss of a family member or who may be experiencing an incapacitating illness. The policy provides for the Director of Hospitality to send cards, when appropriate and in the death of a former Officer or their spouse, send a contribution in memory of that person. Designated amounts have been established for such instances when they occur.

## **TASK LISTS OR JOB DESCRIPTIONS**

Task lists and/or job descriptions are available for each position of Leadership in the Association. The purpose is to provide continuity in the future for others as they assume positions of responsibility. The details of the required duties in each of these positions could assist you in determining where you could or would want to serve. It also provides guidelines to the Nominating Committee when seeking Candidates for office and the Executive Board when they are looking for persons to fill appointed positions.

## **GOLF OUTINGS**

All retired ACIC/DMAAC/NIMA/NGA employees, Associate Members, membership eligible current and retired Military personnel and current NGA employees are invited to join the NGAA-West Golf Group. Over 65 former employees belong to the golf outing group that now has over 180 members who play over 26 outings each year between the months of April and October.

The group plays a four person scramble each outing at different courses in the Metropolitan Saint Louis Area (Missouri and Illinois courses). Group members pay senior rates at each course and also pay \$5.00 toward an award money pot fund for each outing. The day's proceeds are awarded to the teams who finish 1st, 2nd, 3rd, and 'skins' to those teams with lowest scores on selected holes. Individual awards are made for closest to the pin contests.

Your golf proficiency does not matter; it's the fun of playing and enjoying the day with former coworkers and friends. In recent years, the group has been augmented by friends and acquaintances of retirees and have become associate members of NGAA-West and pay annual dues.

The season concludes with a final outing where attendance prizes along with a meal are the highlight of the day. The green fees and meal cost at the final outing is subsidized by an amount based on the number of outings a golfer has played during the season. The funds that support this subsidy are accumulated from a percentage of each outing's money pot, raffles for prizes during the season, and gratuities from the golf courses played.

Any qualified person interested in joining the golf group should contact Larry Knopfel, Chairman of the NGAA-West Golf Group Committee at (636) 561-2280.

YOU'LL MEET OLD FRIENDS AND CO-WORKERS WHO SHARE COMMON INTERESTS

We meet the fourth Wednesday of the month in March, June, September, and December. The December date will vary due to Christmas. At the meetings, we have a social hour, lunch, business meeting, entertainment, and informative programs. We meet at a location decided upon by the Executive Board and we try to stay at one location for all luncheons. Our newsletter, published and distributed to members the month prior to the luncheons, include all the details of the upcoming luncheon related to place, menu, entertainment and cost for each person attending. Our newsletter also includes information about member activities and association business. If you are a golfer, many members play a four-person scramble every Thursday, beginning in mid-April and ending in mid- October. There also is a Winter Mixed Bowling League on Wednesday and a Men's Bowling League on Thursday. However, the true fun of belonging to the National Geospatial Intelligence Alumni Association West is that it provides the opportunity to renew acquaintances and talk about the good old days.
